

## Thanksgiving Logic Puzzle Answer

Eli is the youngest cousin, who gets to answer first. He says he is thankful for videogames. His favorite part of Thanksgiving dinner is the rolls.

Addie is next. Addie is thankful for bugs and dirt, which is a surprise because she is scared of bugs. Her favorite Thanksgiving food is the turkey.

The cousin who answers third is Zayden. He loves reading and says he is grateful for books. No question, Thanksgiving wouldn't be the same without the chocolate chip pecan pie.

The oldest is Desi. She thoughtfully tells everyone that she is thankful for music. The dish she enjoys most on Thanksgiving is the yams.
