

Necks dime
whoa chews ink
wheat bee

To wing gull to
wing gull hit
dulls tar

Ow why one
tear wad chew
wore

Hub pup of dew
hurled sew why

Lie cut time
hunt din thus
guy

Touch cheap
seen dumb
head toe

His sun dirt a
hey stag vast
us leap

Bead her bead
her bump can
neat her

Halt duck ink
sources send
tall duck inks
bend

How I wonder what you are

Twinkle, twinkle little star

Next time won't you sing with me

The sheep's in the meadow

Like a diamond in the sky

Up above the world so high

All the king's horses and all the king's
men

Peter Peter Pumpkin Eater

He's under the haystack fast asleep
